

Seen anything unusual?

Nothing will protect your horses more than a good, hard look.

The vigilant eyes of Australia's horse industry will go a long way to ensuring our country remains free of exotic diseases.

If you notice unusual disease symptoms, rapid spread of symptoms, abnormal behaviour or unexpected deaths with your horses, immediately call your veterinarian or one of the following agencies:

24 HOUR INFORMATION HELPLINES

Racing Victoria's Veterinary Services **9258 4374**

Harness Racing Victoria's Industry Liaison **9377 2286**

Department of Primary Industries
